

SECTION 3

Affiliate

Leveraging on politely using other friends to gather more income for all, A win-win for all, now fly on over to 'Store'.

Store

Stores are beautiful, you can have a physical ones, a digital ones and an illegal ones. Jokes...jokes, come to 'Skills'.

Skill

Now, how can you pull more revenue in? Selling to others via your skills, huge explanation done here, but now, 'Other'.

Other

Any other forms, methods and strategies of pulling extra profit in, as we need to maximize everything, back onto 'Onset'.

Monetization

Onset

With you now setting up your fort on the social platform. Make sure to follow details carefully, and after, we dive into 'Scaling'.

Scaling

Scale, scale and?Scale! We need to get our account to as many eyes as we can, in which we go in-depth on, now, dive into 'Manage'.

Manage

After you understand on how to properly manage your account, and even outsource. Now we hit the back in 'Sequel'.

Sequel

Now that you picked a route with what happens, that is your future. Although, we're not done, bottom right, 'Tools'!

SEC.4

Tools

Any tools from official websites, or posted by staff team. These will cater to helping you via the journey, now bump onto the 'Algorithm'.

Algorithm

Yes...that's really how simple the algorithm is, or is it? Depends on your perspective, now lets delve into 'Marketing'.

Marketing

As many eyes as you can reach, and approach them well, that's all it is, and we go in depth, and after, we hit 'Wisdom'.

Wisdom

Intelligent and specific methods and strategies, and other important information here to help, bump over to 'Hooks'.

Resources

Hooks

I mean, how else will you catch a fish...oh, sorry a lead, through a captivating hook, and boy do we have a lot, as we do 'CTA's'.

CTA's

You have to tell the viewer to do something, otherwise the natural momentum is to keep scrolling, make them take action, now, leap to 'Mentoring'.

Mentoring

Specialized and Official mentors who have a handful of years of experience in this field. If you need this, it's here, and lastly, the best knowledge in 'Tips'.

Tips

Just any extra information that is either partly important, or even crucial to know, we've got it, and remember, stay greasy!
