Optimal Route | 32 Pillar System

SEC.1

Begin

Niché

Setup

Content

Begin

After reading the Introduction to Greasy Growth, and the 32 Pillar System, introduce yourself to the 'Niché'.

Niché

Once you discovered and selected the category you are most passionate about, and is highly profitable, dive into 'Setup'.

Setup

When the fundamentals are all created and formatted for your page, and it's been heated up, catch onto 'Content'.

Content

As soon as you learn the main core of producing quality content in bulk, grab your glasses for 'Learn'.

Greasy Growth

Learn

Once you've grasped the basics of content creation, it's time to delve deeper into 'Editing'.

Editing

After mastering editing & producing quality content, make sure to fly over in 'Sourcefeed'.

Sourcefeed

Now with your downloaded quality, and very high resolution, and purely raw media, slide on over to 'Presets'.

Presets

With the viral and bright presets, templates and other pre-made things, look to the right at 'Audios'.

Setup

Freebie

Audios

Once the audio is decided by you, and you find the one you really like. Make sure to go head to 'Format'.

Format

The moment you understand how to properly format your videos for optimal viewing experience, fall on into 'Tags'.

Tags

Now that you know the in's & out's of deciding which hashtags to use, get ready to have some extras in 'ETC'.

ETC

With all these extra resources, it's now time to start pulling in some profit, into our wallet, let's pull into 'Begin'.

Production

Begin

The beginning of additional wisdom, the beginning of additional profit, welcome to the greasy income part, slide yourself to 'Link'.

Link

Now that you understand how you would want start your link up, and the variety of options, jump into 'Setup'.

Setup

Initiating after understanding how to setup the link? Nice..nice, now lets go the first route, a 'Freebie'.

Freebie

Now for some, you welcome for relief of the stress, for the others, look bottom left for the second route, 'Affiliate'.

Monetization
